**FOR IMMEDIATE RELEASE**

**Green Valley Awarded for Engineering Excellence**  
***Pomo Bluffs Coastal Park Honored***

November 27, 2006 (Santa Rosa, CA) - Green Valley was selected to receive a Small Firm Merit Award in the Consulting Engineers and Land Surveyors of California (CELSOC) 2007 Engineering Excellence Award competition for their design and engineering excellence of Pomo Bluffs Coastal Park in Fort Bragg, California. The awards ceremony will be held on January 22, 2007 in Sacramento.

Pomo Bluffs Coastal Park was recognized for its commitment to restoring a sacred coastal resource, providing safe access to coastal bluff and viewing overlooks of the Pacific Ocean, and contributing to the revitalization of a community. The Park was designed in such a way as to minimize the environmental footprint made on the site. Extensive permitting and close coordination with the Coastal Conservancy was required.

Liz Ellis of Green Valley says, "Pomo Bluffs Park exemplifies Green Valley's dedication to partnering with municipal agencies to provide community excellence. We are delighted to have received the CELSOC Merit Award."

Green Valley Consulting Engineers is a Santa Rosa, CA. civil engineering, land surveying and landscape architecture firm dedicated to serving its communities through creative, innovative, environmentally responsible, engineering solutions. A team of 20 personnel and growing, Green Valley was founded in 1997 by Elizabeth Ellis, P.E. For more information, see [www.gvalley.com](http://www.gvalley.com).
